

# SAMPLE BELIZE ITINERARY

DAY

1

## CULTURAL FOOD TOUR

Starting with food is a great way to get an introduction as you begin your trip! Locals of any country love to talk about their food. I love being introduced to culture by someone speaking of it lovingly.

DAY

2

## XUNANTUNICH & BELIZE ZOO

Spend a day viewing the Mayan Ruins and then visiting the zoo to see Belize's exotic animals. If you're into holding animals, you'll enjoy the zoo tour. If not, try **Cave Tubing** along with your Xunantunich visit! OR do it all! Tour Guides are flexible!!

DAY

3

## THOUSAND FT FALL & RIO ON THE POOLS.

Visit the highest waterfall in Central America. Take your strongest bug spray because the bugs up there are ruthless!! Rio on the Pools is a must see! Wear your cute bathing suit for nice photos out there!

DAY

4

## SAN PEDRO ISLAND

Hop on the ferry from Belize City to San Pedro Island. Rent a Go-Cart and ride to the beach! You can choose to return to the city, spend the night, or take a ferry over to Caye Caulker. Pay careful attention to when the last ferry leaves! You don't want to be caught out there. Literally.

DAY

5

## CAYE CAULKER

This is a great opportunity for another beach day! San Pedro and Caye (Key) Caulker are so different. Caye Caulker is definitely more laid back. The lobster grills along the beach are delicious! There are also a number of water sports available on the beach!

## FREE DAY

For trips longer than 3 days, make an effort to maintain at least one free day that will allow you to revisit places you enjoyed, souvenir shop, or simply rest.
