

# SAMPLE CUBA ITINERARY

DAY

1

## AJIACO COOKING CLASS

Starting with food is a great way to get an introduction as you begin your trip! Locals of any country love to talk about their food. I love being introduced to culture by someone speaking of it lovingly.

DAY

2

## CABARET-TROPICANA

Spend an entertaining evening at the famous Tropicana Cabaret. You may want to purchase the tickets online in advance as you won't be able to use your credit cards in Cuba or may not have access to the internet.

DAY

3

## FULL DAY TOUR TO VERADARO

This where you'll get to visit the clearest blue water and whitest sand. The water isn't too deep so even non-swimmers would enjoy!

DAY

4

## VINALES & HORSEBACK RIDING

You'll love this visit to the cigar making farm! You are allowed one bundle of ten cigars (as I currently understand) back into the US. Most markets sell handcrafted cigar holders that would make great souvenirs with the cigars!

DAY

5

## SALSA DANCE CLASS

You can not leave Cuba without a proper Salsa class! This would be a great event to culminate the trip.

DAY

6

## FREE DAY

For trips longer than 3 days, make an effort to maintain at least one free day that will allow you to revisit places you enjoyed, souvenir shop, or simply rest.
